ATTENTION: All ABC Supply Co. Inc. Suppliers

SUBJECT: 2019 Authorization Letter—Product Regulatory and Chemical Information

ABC Supply Co. Inc. has retained Verisk 3E to obtain all product regulatory documentation for raw materials, components and or finished goods currently purchased from your organization. Verisk 3E has contractual authority granted by ABC Supply Co. Inc. to request and maintain these required regulatory documents necessary to keep ABC Supply Co. Inc. in compliance. We appreciate your cooperation and due diligence in responding to these various subject matters.

The product information requested by Verisk 3E will include any information regarding California's Proposition 65.

Verisk 3E is not infringing on any rights of the vendors or suppliers of ABC Supply Co. Inc. with regard to the distribution of your product regulatory documentation. Verisk 3E is merely acting as the "designated representative" on behalf of ABC Supply Co. Inc. and its business units and subsidiaries, including but not limited to, ABC Supply Co. Inc., Town & Country Industries and L&W Supply Corporation.

Verisk 3E's program is designed to help companies fully comply with all global requirements under OSHA, WHMIS, REACH, GHS and Conflict Minerals regulations and California's Proposition 65 requirements. If you have any questions, please contact Verisk 3E at 3esc@Verisk3e.com. You may also call 3E toll free from North America at (800) 451-8346 or from anywhere at (760) 602-8703. Please request to speak to one of Verisk 3E's Supply Chain specialists.

As you can imagine, the increase in compliance obligations is a daunting task for any organization. We appreciate your assistance and continued support.
